

Preparing your stay at Les Damias

Once we have received your reservation deposit, we will confirm your reservation - we thank you !

In order to welcome you in the best conditions :

On arrival, you can park your car on the parking space « parking minute » to unload. Since parking space is very limited, we ask that you then leave your car down on the « parking de séjour », just after the little wood bridge. The space above the « parking minute » marked accès résidents is reserved. Please do not use it.

Bring a flashlight to get around the hamlet. Certain areas are illuminated, but not all !

If you're on full or half board, please think of informing us on arrival, of any food allergies or dietary restrictions.

You can inform us of your approximate arrival time, so that we can be there to welcome you.

If you've reserved the family/vacation campground - « camping du bout du monde » is the field after the bridge on the left. Valentine will be there everyday from 10h to 12h to welcome you.

If you've reserved for a seminar/retreat, take the dirt road on the right after the bridge, and find camping spaces under the walnut tree, or below the gardens toward the big hogan. The family campground is reserved for families and vacationers : your bathroom and kitchen facilities are in either in »la bergerie«, or the bathroom on the path to the big hogan(see annex for self catering fees).

Food shopping can be done at the biocoop in the viilage of Eourres. Open hours : <http://www.eourres.fr/index.php/vie-communale/informations-pratiques/biocoop>

Other stores can be found in Sederon (20min), or Laragne (30min).

Léa will open our little store (bread, fruit juice, jams, herb teas, etc.) on demand, and we organise a local artisans market, from 30 June to 1 September, late Monday afternoons, and Thursday at 1pm.

Our prices don't include sheets and towels. Don't forget to bring your own, unless you'd like to rent ours. You'll need a pillow case, a fitted sheet, and a flat sheet (quilts and their envelopes are provided) (See sheet measurements in annex).

We look forward to welcoming you !

Rob, Caroline, Julien, Léa, Valentine, Marie and Fanny
